

Dick/Dennis/Jim Monthly Meeting
Facilitated by Bill Ross
10-19-15

1. Summary description of what EPA will send to the National Remedy Review Board (NRRB) that frames the draft conceptual remedy that the Board will analyze and what EPA is asking the Board in particular to think about. (Cami)
2. Summary of State comments to NRRB including: importance of schedule; State priorities in balancing cost against remedy selection factors; suggestions for reducing cost of preferred Alternative; and significant issues for consideration by NRRB/CSTAG. (Kevin)
3. Status of outreach efforts to other parties, including the Congressional delegation, the LWG, the Tribes, the CAG, and the TNT partners. (Dennis/Cami)
4. The process and options for moving forward on the FS in a manner that does not delay the schedule for completing the ROD in 2016. (Cami)
5. The schedule for interaction between Dennis/Dick/Jim over the next two months. (Deborah)
6. Other issues as appropriate.
